

Memo To: The College Community

From: Edward J. Bloustein

Several friends of Kate Housekeeper and Ellie Siegel and of their families have sent in sums of money which have been used to establish two memorial funds. Kate's and Ellie's families will ultimately decide on a fitting use to put each fund at the College.

Members of the community wishing to join their gifts in this common effort will be most welcome. Contributions can be sent or made in person to Florence Burggraf at the Development Office in the Barn.
