

BENNINGTON COLLEGE
BENNINGTON, VERMONT

October 23, 1959

Dean Pietro Belluschi
School of Architecture
Massachusetts Institute of Technology
77 Massachusetts Avenue
Cambridge, Massachusetts

Dear Dean Belluschi,

I have enclosed a copy of Betty Brown's entertaining tribute to you. I wish that I could also send you transcripts of the comments of contractors, visiting architects, visiting librarians and others who attended the opening ceremonies last Friday. They echoed the proud conviction of this community that the College has a library of striking beauty as well as unusual utility.

Cordially,

Leonard U. Wilson
Director, Public Relations
and Development
