

Winter Blitz

2016

Saturday,
November 12th
10:00-2:00 pm.

How to get
involved:

- 1) We need 5 student leaders to volunteer for a weatherization training at Williams College on Wednesday, November 2 at 6:30 pm (free pizza!). Attend this free three hour training, and you'll have the lifelong skills to do everything from installing door sweeps to plugging holes with spray foam.
- 2) We'll identify and contact 5 low-income homeowners who have applied to have their homes weatherized.
- 3) Each of the leaders will lead a weatherization build with a group of 3-5 volunteers on Saturday, November 12.

Contact Michael Thomson or Eva Krukowski at acts@bennington.edu for more info or to sign up!
