Mr. Fred Whiting, President  
American Federation of Arts  
Barr Building  
Washington, D. C.

Dear Mr. Whiting:

Thanks ever so much for your letter of September 22 and the kind things you say of our work here. Various people have been interested in the drawing chairs, as you call them, and perhaps your suggestion about them is a very happy one. I think I shall see what can be done about it. Thanks again for suggesting that.

Do you remember admiring a little pear wood figure of a woman in my office? It could be had for \$100, which is about one third of what the sculptor usually charges.

I may be sending a hurry-call to René d'Harnincourt in a day or so because, although Orozco at first accepted for October 12, he has written me declining the invitation. Mr. Herring is now trying to induce Rivera to come in Orozco's place and I am standing ready to make at least an effort to get d'Harnincourt in case this second alternative falls through.

Sincerely yours,

Edwin Avery Park  
Director of Art
