

AVON OLD FARMS
AVON, CONNECTICUT

Dear Mr. Park.

I am planning a visit to Bennington Tuesday, May twenty-second if the weather is fair. I hope I shall have the pleasure of seeing you when I'm there and renewing our somewhat hap-hazard acquaintance which I have always found extremely pleasant.

I shall be driving with Mrs. Kammerer the wife of the

Avon Headmaster who has a
daughter who considers sending
to Bennington next fall.

I am very curious to
see what the art department
is doing chez vous and
compare notes. The photographer
Club at Avon is still in full
bloom and my little artists are
doing the usual excessive variety
of things. Wood-carvers seem
to be in the ascendant this
year.

Please give my remembrances
to Mrs. Park.

Very truly yours

Paul Cushing Child
