

Memo to Joe Murphy

from Wendy Perron and Tony Carruthers

March 15, 1980

This is to inform you that we have raised the following sums for the Judson Project April Residencies:

\$1,600	from NEA	not yet received, expecting a letter of verification any day
1,000	from David Hurwith, Bennington student.	Check received, not yet cleared.
<u>375</u>	from Daphne Groos, Bennington alumna.	Check received.
\$2,975		

We are expecting the following:

\$ 150	from Pat Birch, Bennington alumna.	Not yet received, possibly never.
100	from dance students' rummage sale	
<u>125</u>	additional from Daphne Groos	
375		

According to the agreement of last term, the College is committed to matching everything we raise outside the College up to \$7,500. We request that the matching money--that is, the \$2,975 we are sure of--be deposited into the Judson account immediately.

Please note: We are expecting that this year's endowment from the Newman Fund, which should come to between \$1,500 and \$2,000, be channelled into the Judson account as this is Pat Woolner's wish. This should not be counted as money we've raised outside the College (obviously); not should it be considered the College's resource for matching our fund-raising efforts, as this money was ~~intended~~ always earmarked for a special dance project.

This situation would also be the case, we would assume, if we are awarded the Callie Goldstein Memorial Fund (about \$400), for which we are ~~xx~~ applying.
