MEMORANDUM TO FACULTY

From: Central Committee, via Mrs. Garrett

This is to remind you, perhaps unnecessarily, that before vacations it is most important that all studio periods, classes, and other group meetings continue as usual up to the time the College officially closes.

The few students who have applied to the Central Committee for early leave and have been granted permission to leave early will notify each of their instructors before they leave.

Unless the College work goes on in the usual way up to the closing hour, we cannot expect to keep the students' cooperation which we now have with our present system.

Thanksgiving recess is from Wednesday, November 20, at 1:00 p.m. through Monday, November 25, at 9:00 a.m.
