Eastern Cooperative Wholesale

NOTICE OF "CIRCUIT RIDING" MEETING

The Circuit Riding Program consists of a series of regional meetings, sponsored by local cooperative societies, regional federations, Eastern Cooperative League and Eastern Cooperative Wholesale.

Each meeting will be attended by the full board, and the manager, of each local cooperative, the representatives for the district on the ECL and ECW boards (one of whom usually will preside), Leslie Woodcock, manager of ECW, and staff members of ECL and ECW. An average of six to eight local societies will participate in each meeting.

The agenda for each meeting in the program will center around topics of local interest. The general plan is to begin with a brief consideration of economic conditions and the chaos in prospect. The main part of the meeting will be devoted to analysis and discussion of specific problems of Eastern cooperatives, both locals and Wholesale, with emphasis on their roles as parts of a single structure. The first Nationwide Co-op Drive, and the part our Fall Drive will play in it, will be touched on at some point in the meeting.

Meetings will be informal in tone, with as much time as practicable devoted to discussion.

DETAILS OF THE MEETING

Date: December 5, Friday

Place: Schenectady

Time: 8:00

Meeting Room: Schenectady Consumers Cooperative,
1207 Eastern Avenue (over store).
