BENNINGTON COLLEGE - BENNINGTON, VT.

---

For immediate release.

Bennington College is holding an exhibition of the sculpture of Herta and Simon Moselsio. The show will last until the 31st of May, and is being held in the halls of the Theatre in the Commons. Mr. Moselsio's work shows the use of a variety of mediums, among them wood, stone and ceramics. His subjects vary, but consist mostly of the human figure and of animals. Mrs. Moselsio's subjects are all animals done in ceramics with the exception of one, a horse done in cast stone.
