FROM THE NON-RESIDENT TERM OFFICE

There are still many inquiries coming in for camp counselors. There are many requests for dance counselors as well as for others in the arts and craft field; also, there is an excellent position available for a nature counselor at the Alford Lake Camp in Maine, which has previously been held by Bennington students.

Mr. Clements Kalischer, a commercial photographer of Lenox, Massachusetts, is anxious to employ a Bennington student to work in the office and also help with the photography work.

For further information on summer jobs, contact the Non-Resident Term Office.
