

## Bennington College

To Stephen Horenstein  
Arthur Brooks

Date 28 May 1980

From Don Brown

Re:

After one of our Division Secretaries meetings, you indicated that you might be interested in leaving the college before the end of the term. I told you then that before even considering the possibility, I would need to have an explanation in writing of such an extraordinary request.

Not having had a request, I assume that you will be available as usual through commencement and possible ECC meetings during the weeks of June 16.
