Seats will be available for late-comers, who can move after the piece is over. Your cooperation in this way will help everyone.

FROM HEALTH SERVICE

All students who have not been given T.B. skin test should report for it as soon as possible. A list of students who should have the test and have not reported for it will be given to each house chairman this week. You MUST be skin tested before the chest X-ray clinic Oct. 13th, unless our records show you have reacted positive to a test in the past.

Students are requested not to phone their friends in the Infirmary. The nurses are much too busy to answer the phone in order that you may have a friendly chit-chat, and the phone must be free as much as possible for professional use. You may visit your friends at the windows until 9:00 p.m., or leave notes in their mail boxes.
