Re: Ski First Aid

There has been some mix-up in the matter of the engagement of Mr. John T. Perry of Manchester to give ski first aid. According to correspondence, the Health Committee and the General Meetings Committee engaged Mr. Perry for Feb. 25, Mar. 4 and Mar. 11 at 5:10 p.m. , to which dates Mr. Perry agreed and Peg Brush was notified. Now nobody seems to know what happened to the plans. Mr. Perry has called to know what about it, and Sue Hedge has told him that there has been some misunderstanding and that we will write him. Mar. 4 is out because of a community meeting. Will you take this up with the Health Committee as soon as possible and pass on your recommendation to me to clear with the General Meetings Committee?
