My dear Mr. Hagen:

During April and the early part of May the College Council of Bennington College is planning a series of lectures on American War Policy. In the three lectures already planned this subject will be considered relative to world organization, to Japan and to its general economic aspect.

The Council would like to have you conclude the series on Monday, May 4, with a lecture on American War Policy relative to Germany.

The lectures in this series will be held on Monday afternoons at 5:10. The speakers are asked to talk not more than fifty minutes. Then, for a brief period the meeting is thrown open for discussion and questions from the floor.

If you can come to Bennington on this date, the College Council is able to offer you the honorarium of twenty-five dollars (\$25) and expenses.

Will you let me know at your earliest opportunity if you can speak to the Bennington College Community on May 4.

Very sincerely yours,

Antoinette Johnson
for the College Council
