Special Thanks to:

My loving parents, for always supporting me and having faith in me; Stephen Siegel, for being a living inspiration, mentor, and friend; Allen Shawn, for his guidance, wisdom, and encouragement; John Van Buskirk, for rekindling my love of the piano; Janet McGhee, Ann Roggen, Tom Bogdan, Sue Jones, Katrina Monta, Jeremy Schulick, Michael Close, Hans Buetow, Rachel Berk, Heather Sommerlad; and all of my other friends (and music faculty), not performing tonight, who stood by me at all times, and, whose friendship helped to make my years at Bennington College all the more memorable. Thank you all so very much!
