Courtney would like to thank:

Ida for being one of the most inspirational people I have ever met. Thank you for helping me be the best singer I can be. My mother, for playing me my first Joni Mitchell songs. Heather, Dan, Simone, & Emilee, I think of you when I sing these songs. And Guy, who grew an alien in his face for the show. You have been so patient with me and I couldn't have done this show with anyone else but you.
