Melinda Castriota, piano

I would like to thank Gunnar Schonbeck, Leroy Logan, Joel Martin, Michael Downs, and Jeffrey Levine. I would also like to thank all the people in the Portugal workshop who were so supportive of me. Also, my close friends: Nathan, Peter and Susan. And especially to Frank Baker who was not only my voice teacher, but my friend for the last three years.

This concert is being presented in partial fulfillment of the requirements for the Bachelor of Arts Degree.
