I. Western Wind -- anonymous

Western Wind, when wilt thou blow?  
The small rain down can rain.  
Christ! That my love were in my arms,  
And I in my bed again.

II. from The Wasteland by T. S. Eliot

In this decayed hole among the mountains  
In the faint moonlight, the grass is singing  
Over the tumbled graves, about the chapel  
There is the empty chapel, only the wind's home.  
It has no windows, and the door swings,  
Dry bones can harm no one.  
Only a cock stood on the rooftree  
Co co rico co co rico.

III. Bobby Shafto -- nursery rhyme

Bobby Shafto's gone to sea  
Silver buckles at his knee,  
When he comes home he'll marry me.  
Pretty Bobby Shafto.
