

Music at Bennington Presents.....

An Evening Of Us

**Erica
Beloungie
and
Melissa Hughes
A Junior Concert**

MUSIC LESSON

I really should have studied flute,
Harmonica, or chimes.
A clarinet is nice and light,
A fiddle would be fine.
But I had to take piano,
And my teacher is a brute.
He lives up seven flights of stairs.
(I wish I played the flute.)

*This concert is made possible in part through the generous support
