Dear Margo,

The committee on costume for the College chorus consists of the following: Caroline Welch, Caroline Sizer, Honora Kammerer, Alison Green, Jane Hutchins. I know that the Commencement Committee will find it wise to get in touch with them and to make a very earnest attempt to get a costume which would serve both the needs of the chorus and of Commencement. I should be glad to meet with both committees if diplomacy or pressure is needed to convince the chorus committee of the wisdom of coming to an agreement rather than getting two sets of academic gowns.
