Dear Ms. Newton:

I am including a chronology in the catalogue I am writing for an exhibition of works by David Smith in the Hirshhorn Museum's collection, and would be most grateful for your help. I would like to know, as specifically as possible, when Smith taught at Bennington College, and what courses. Any other information you have on his activities at Bennington - lectures or exhibitions - would be of interest also.

Thank you for your cooperation.

Sincerely,

Miranda McClintic
