Mr. Frederick Burkhardt, President
Bennington College
Bennington, Vermont

Dear Fred:

Due to an accident I received
your letter of July 20th with very
great delay.

You are quite right that my first
reaction would have been to protest,
but I must admit that your argument
is rather compelling so that I have
accepted the check with pleasure and
appreciation.

Let me also say how much I appreciated
your thoughtful and kind words at the
occasion of my Commencement address.

Sincerely yours,

Erich Fromm
