TO THE CLASS OF 1987:

The Class has decided to donate, as our Senior gift, money to be applied toward Library Acquisitions in Memory of Mara Zalk and Libby Zion. Books chosen will reflect the specific interests of Mara and Libby.

We would like to suggest a contribution per person of \$5 or \$10 or more if you can. Your gift will be credited to the Annual Fund for the Class of 1987.

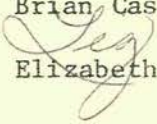

We urge you to contribute and ask that you complete the attached pledge card as soon as possible. Please remember, when considering your donation, that the pledge may be completed any time before June 30, 1987.

Thanks for your thoughtfulness on this matter. It will be a fitting way to honor Mara and Libby and our time spent here.

Sincerely yours,

BRIAN
