Charles A. Frueauff Foundation, Inc.
Seventy Pine Street
New York, New York 10005

Dear Mrs. Pawson:

The attached proposal for a grant of $15,000 to enlarge our library collection of material on Black culture is submitted for the consideration of the Trustees of the Charles A. Frueauff Foundation.

Although I believe the proposal contains the essence of our current program and plans, we should be happy to provide any further information which you or the Trustees may wish. Should the Foundation find it possible to grant the requested funds, we would like to dedicate the entire library collection on Black culture through the use of specially designed bookplates.

Sincerely,

Kendall Landis
Director of Development
