**Directors Notes:**

I would like to give special thanks to the playwright- Scott Hudson, for his incredible forthcoming generosity of spirit and willingness to be a part of our process from the very beginning.

It is never easy, this journey we call life. This I know for certain. I believe the most important thing we can do is find the courage to live life with an open heart, no matter how great or relentless the adversity that comes our way. This is something I would have never understood or been able to achieve if it were not for my husband, Pete- and so- my work on this play is dedicated to him.

-Dina Janis

Special Thanks to Max Wolkowitz for the Radio Announcer voice over, to Nick Haas, and to Owen Cartwright for giving us a working transistor radio.
