My dear Dr. Burkhardt:

Thank you for sending
me a copy of my Prep. School Composition,
as I wrote it for the College Records,
which would be the same ^{case} for Mrs. Swan,
as Chairwoman of the Money Raising
Committee, & for Mrs. Frankline, as
Chairwoman of the Architectural Comm.
& perhaps Mrs. Jackson & Mrs. Masters
as Chairmen of meetings, I know the
request would be better coming from the
President, as they would take it seriously,
& could so easily turn me down.

This is an opportune time for you to make
a good contact with Mrs. Swan, as Helen
Feeley says she seems to be interested
in the College at present. As she lives in
Conn. & Florida I have not seen her of late,
to know.

Hael has written on the charter, & will
turn that in, where we get to the Country.
I shall keep Mrs. Swan's pamphlet here
& send it on, if you will let me know,
after your letter to her has gone.

I have not talked to Mrs. Bradley about
the paper, it was Helen Feeley I think.

Helen writes me that Mrs. Burdhardt
is home & seems perfectly well, we are so
happy to hear it & send you all our best
Easter greetings.

Faithfully yours,

Edith V. B. M^{rs} Cullough.
