FILM: Viridiana (Mexico 1960) Director Luis Bunuel.
With Silvia Pinal, Francisco Rabal, Fernando Rey.
The title character (Silvia Pinal), a novice on the verge of taking her orders, gets a rude and protracted introduction to the unhallowed demands of worldly living. And her generous, forlornly fetishistic uncle (Fernando Rey) one of Bunuel's most sensitive and memorable characterizations, provides the film with an indelible image of tragically frustrated sexuality.

FROM COLLEGE WEEK

The College Week calendar covers Campus Events which take place Monday to Sunday. Copy deadline is noon every Wednesday. Make your plans well ahead; that way you'll get the space you want to use and have your notice in on time.

CALENDAR OF EVENTS: Plan and schedule your events early. The Calendar of Events is concerned primarily with after-6 p.m. and week-end activities. Check the Calendar of Events, which lives in Barn 8, to find out whether the space you want is open for the time you have in mind. Avoid embarrassing conflicts.

FROM DANCE & DRAMA: STUDENT ASSISTANTS AND MONITORS--Applications for all student assistant and monitor positions in Dance and Drama will be taken by Thelma VanDale in the Dance/Drama Office (Room E 218) this week. Deadline is March 15.

DANCE/DRAMA LABS: All students enrolled in Dance and Drama are required to sign up for lab this week at the first meeting of the lab you wish to take. Lab schedule times are posted in the D/D Office, and include Costume, Lighting, Stagecraft, Audio/Video and Running. The two-hour labs will meet bi-weekly. Enrollment is limited to ten students per lab on a first-come basis (except Running Lab which will be on a per-production basis). Students wishing a Running Lab should sign up with Thelma VanDale, D/D Office, Room E 218 before March 15. Preference of production should be indicated and will be given priority.

LAWNS:

Please help. We are already into Mud Season, a time when lawns are particularly vulnerable to destruction from trampling feet, which puddle and compact the soil and ruin the grass. PLEASE stick to the paved paths. A little thoughtfulness now will pay big dividends later, when the grass is well established.

POST OFFICE -
SWITCHBOARD

Due to an administrative error, page 17 of the campus directory is incorrect. A new complete page of listings has been distributed.

CAUTION: No One is allowed in the Post Office work area unless listed as necessary personnel. Please cooperate.

RECYCLING HELPERS: Notice: Meeting of all those helping on recycling Thursday 3/15 at 1 p.m. in Greenhouse Lab. Any new or returning students who are interested are welcome. We recycle paper, cans, bottles, and buy plants for Campus beautification with the proceeds.

STAFF CHANGES: Peter Blind has been appointed Security Chief and Safety Director.

Larry Stevens has succeeded Eleanor Moore at the Post Office and Switchboard.

Mary Petitt has replaced Helen Cleary in Payroll and Fringe Benefits.
