P.S - Just heard from Joan Blair & mother
Yvonne is set for vid. in Sept. Hope so -
Joan asks about possibility of using Ben & vid
studio for a bit of N.R.T. 82 - I write her

to contact you - as guess Dave B. is now
in charge of all that stuff - but maybe she'd
get a week (sm) as part return for gd.
work done on Judson project - guess the
division might recommend it - its ok by me
as if i am back in N. Ben by then. Som 2

that is provided stuff will be available at all
