Dear Martha Graham,

We have received an application from Muriel Schochen for the special work during July.

Martha Hill suggested that I write to you, since Miss Schochen is working with you at present. So far, our applications have come from girls between the ages of fifteen and twenty, and Miss Schochen is twenty-five. Do you think she will fit in with the college age group? If you do, we will admit her immediately. Of course, we may have other applications from girls of her age, but I believe Martha Hill and I would feel safer if we could have some word from you. I am enclosing a self-addressed postcard and would appreciate your returning it to me with a word of recommendation. ✓

Sincerely yours,

7/24
