Cooper's Corner

Got questions? Ask Tina (tinacooper@bennington.edu)

One question I hear often is, "If I find the ID I lost before I purchased my new one, can I get it reactivated?" The answer is no. If you need to replace your card because it was lost or stolen, we have to issue you a new card number for security purposes. Because you can add money to your Bennington account it is comparable to a credit card. If you lose your credit or debit card you have to have a new card number reissued. If you later found your old card, the bank wouldn't be able to reactivate it, right? So hang onto that thing!

From my corner to yours,

Tina

Please email all College Week submissions to collegeweek@bennington.edu by Thursday at noon for inclusion the following week.
