

(UN)GOVERNED SPACES

An exhibition by
Gregory Thielker and Noah Coburn

October 28 – December 2, 2014

Usdan Gallery, VAPA
Bennington College

OPENING RECEPTION: October 28, 2014, 6:30 pm

In this exhibition, artist Gregory Thielker and anthropologist Noah Coburn confront the challenges of representing different perceptions of conflict in Afghanistan. The exhibition creates a space for viewers to think and talk about the future of Afghanistan and U.S. foreign policy through a series of talks and special events, as well as interactive works by Bennington College students.
