

Praise for "Threat"

NOVEMBER 29, 2017

NewPages.com glowingly reviewed issue three of *Bennington Review*, calling it "an incredibly strong issue put forth by an excellent journal."

They write: "Issue Three of *Bennington Review* is as large as its theme, and it contains many more pieces for readers to explore. Other highlights include poems by Phillip B. Williams, Anjuli Fatima Raza Kolb, the incomparable Nick Flynn, William Brewer, Mary Ruefle, Peter Cooley, Carlie Hoffman, and Erika Meitner."
