My dear Dr. Kilpatrick,

I am enclosing a document written by Mrs. McCullough which I am sure will be of interest to you.

Both Mrs. McCullough and I would appreciate your reading it and sending any comments you may have to me. If there are any inaccuracies of date or emphasis, we are anxious to correct them.

Since I have only a limited number of copies I should appreciate your returning this one to me when you have finished reading it. Later, when we have a final version, I shall send you a copy to keep.

With kind regards,

Yours sincerely,

Frederick Burkhardt  
President
