

Prevented me from showing the dance in
workshop-

I have attended all the evening meetings and
other courses for Special Students -

My outside reading has been:

Primitivism in Modern Painting - Toldenster

My life - Duncan

Dance as an Art Form - La Meri

Folks - Ruth Suckow

Last Saturday I attended the folk
dance session

Comments

Program has been fine - I only wish
one of the technique classes were daily & that
there could be some followups that is a
regular thing -
