*Airlines Agency*  
STORE BOARD REPORT

The American Airlines has asked the Cooperative Store to handle tickets for passage on their airlines between Albany and New York. The Store did not want to be held responsible for any accidents that might happen to students while traveling on this airline. The Executive Committee as well as the Council have been asked whether they think the Store would have this responsibility or not. The Council, however, thought that the students would not buy the tickets without parents' knowledge and it was suggested that each student sign a slip saying that her parents were aware ~~of this~~ that she was traveling by plane. This suggestion has been sent to the Store Board.

"YOUTH WANTS TO HELP" PROGRAM

Ann Mills suggested that the Council choose a head of the committee which was to organize the "Youth Wants to Help" program of Vermont. The following people were nominated: Ann Wickes, Marion Colt, Anna Frothingham, Mary Achilles, Muriel Cummings. Ann Wickes was elected head of this committee and she will confer with Mrs. McCullough on whatever work has to be done. It was suggested that any canvass of the college should be run through the Community Chest Committee.

GENERAL MEETINGS

The following people volunteered to form a committee to present suggestions for the evening meetings to Miss Shelley. They were: Ann Mills, Nancy Cole, Eleanor Metcalf, and Pricilla Sherman.
