

THE ADAMS TILLIM LECTURE 2001

Yvonne Rainer

Yvonne Rainer was one of the founders of the Judson Dance Theater in 1962, the genesis of a movement that proved to be a vital force in modern dance. Since 1972 Rainer has completed seven feature-length films.

She is the recipient of numerous awards and fellowships, notably a MacArthur "Genius" Award and two Guggenheim Fellowships.

"I think of art as an ongoing exploration rather than a search for a conclusion, an ongoing set of questions, finding new ways to ask the questions, and visual answers."

— Yvonne Rainer
