

Music at Bennington Presents

A Senior Concert by

Lisa Paul, flute

with

Alison Hale flute
Meredith Hinkley piano and
 harpsichord

Wednesday May 1st

8pm

Deane Carriage Barn

Program

Duetto no.2 from Op.74 Friedrich August Kummer

Three Romances Robert Schumann
(originally for oboe and piano)

Density 21.5 Edgar Verèse

(21.37 is the density of platinum (the piece was written for a platinum flute). Since my flute is silver, this should more properly be: 'Density 10.50'.)

Intermission

E minor Sonata Johann Sebastian Bach

Syrinx (Panpipes) Claude Debussy

Sonate Paul Hindemith

This concert is made possible in part through the generous support of Judith Rosenberg Hoffberger '54 and the Henry and Ruth Blaustein Rosenberg Foundation.
