Manager of Debate
Bennington College
Bennington, Vermont

Dear Manager:

With the opening of another intercollegiate debate year, the Swarthmore College Debate Board is looking forward to starting relations with Bennington. We have two radio programs each weekend. One is broadcast from Wilmington, Delaware on Saturday, the other from Philadelphia on Sunday. It has been our experience that the radio lends itself especially well to the more informal type of debating.

We are now arranging our radio calendar for the coming season, and we should very much like to meet you on one of these programs. Our season opens in mid-October and closes early in May. If you have any specific date in mind when you would be able to debate over the air, even if it is as far ahead as April, please let me know as soon as possible. I am sure that a debate between Bennington and Swarthmore would prove very stimulating. Best wishes for a most successful year.

Sincerely yours,

Miles G. Wedeman
