Beginning Wednesday, March 23rd, at 1:30 in Barn I a series of movies will be shown for those who wish to improve their speed of reading. There are 16 films in the series and for maximum efficiency they should be seen five times a week. This means that those who begin the series on March 23rd should plan to attend Mondays through Fridays at 1:30 up to April 12th.

The book of tests for comprehension is available in the College Store for \$1.00. Buy the book before coming to the first film. It will be first come, first served (for those who have the books). If there is a great demand for this series, we will show it again later in the spring.
