Mr. Paul Feeley  
Art Department  
Bennington College  
Bennington, Vt.

Dear Mr. Feeley,

I am as pleased as can be that you have asked me to show my work to the Bennington girls and to talk to them.

As my regular show is now scheduled until April of 1954, Solveig and I can drive up with about 15 or 20 pieces and you can ship them back to the Bertha Schaefer Gallery.

We can arrive at about noon on Saturday, May 30, so that you can hang the show that afternoon, with our help. I should like to give the talk on Sunday, the 31st.

I should like to have the \$25 honorarium given to the scholarship fund.

I assume that you will pay for the return transportation and packing of the little exhibition.

I will look forward with great pleasure to being with you.

Sincerely,

*Mariska Karasz*
