Brownville, April 17. '90

Dear Mrs. Coleman,

Thank you for your

Kind note welcoming me to Birmingham.

and inviting me to stay with you. I am
happy for the opportunity to meet you.

Returning to the college
after a long life time is most exciting and
slightly frightening but I look forward to
being there with great pleasure.

Terry Grady will see
to it that I get to Birmingham, Monday

May 14th at the proper time, He and I
have discussed some of the details of my
assignments while I am there,

until then, my warmest regards,

Sincerely,

Bessie Coleman.
