

The College will entertain guests of Seniors for meals Friday night, Saturday morning and Saturday noon, July 23th and July 29th. No guest tickets will be needed for those three meals.

From the Records Office

The same plan used last year in regard to moving will have to be used again this year. Seniors should get their possessions shipped and their rooms cleared except for the things they will need during the last week. Other students should move into their newly assigned rooms before leaving College. If, for any reason, this is completely impossible, a student should leave her possessions packed and clearly tagged so that they can be moved later.

Every student will receive a written report on her year's work but no copy will be sent to parents unless the parents request it. This change in procedure was recommended last year by the College Council.

All students, including seniors and off-campus students, are expected to sign out at the Switchboard before they leave for the summer vacation.

Be sure your final Work Sheet and your tentative program card have been handed in before you go!

From the Dining Halls Department

To Faculty and Staff

Will you please notify Marjorie Healy how many meals you anticipate having at the College during the month of August. We would appreciate having this information by July 26th. If anyone eats more than eight meals a week, his ration book must be left with Miss Healy to be used by the College.

The Dining Halls cannot undertake to feed guests during the summer due to the heavy schedule in the Department for this period.

The Kitchen and Dining Rooms will be closed from August 4 after Lunch through August 6th. The first meal will be Breakfast, August 7. This is necessary because of work that must be done in the Kitchen and Dining Rooms and cannot be done when they are open.

Guests for Commencement Week-end

It will be next to impossible to take care of more than the Seniors' guests this weekend. We would therefore like to urge other students not to have guests for meals over the week-end in order that the Seniors' guests may be properly taken care of.

Rooms for Senior Guests

The rooms to be used will be locked. The keys to these rooms will be available in Winnie Knapp's Office up to 5:00 p.m. Friday, July 28th. When key is given to student for her guest, she must pay for the room and at that time tell Mrs. Knapp when guest will leave. If guests are expected after 5:00 p.m. student should obtain key for the room before Mrs. Knapp leaves as the keys will not be available after 5:00 o'clock. Keys are to be returned to the Switchboard.

Change of Meal Hour

On Saturday, July 29th, Luncheon, which is the last official meal, will be served at 12-12:30 instead of 1-1:30.

On Friday, July 28th, the Buffet supper at Jennings Hall for Trustees, Seniors and their guests, and faculty will be served at 7:00 p.m.

Dinner will be served in the Dining Rooms at 6:30 to remaining students.

From the Housekeeping Department

Students who are remaining on campus over Saturday night because of transportation problems, please notify Marjorie Healy or sign up on the Bulletin Board in the Store before Thursday, July 27th. The Dining Halls will be prepared to feed only these people who have signed up. After Saturday lunch, which is the last official meal, students eating in the Dining Rooms must have meal tickets purchased from the Store.

From the Nursery School

Students wishing to take Nursery School next term, please sign at Social Service board in Commons so that we can save a place for you ahead of incoming Freshmen. We may be able to take as many as ten people depending on how many old students take a second term. It would help if old students planning to continue Nursery School, would sign on the second sheet there.
