Dear Miss Pratt:

Your letter to Mr. Jones,
our President, was referred to me.
I regret that I have been unable to
answer until the present time.

Thank you for bringing to
our attention the observance of Inter-
national Students Day. We dedicated
the Student Music Program, which was
held the evening of November 17th to
the commemoration.

I am enclosing a copy of
this program which may interest you. ✓

Sincerely yours,

SS
