### Publicity:

In the last meeting (April 7th) , the board tentatively agreed to help sponsor the refreshments for the Spring dance which is being planned by the Recreation Committee. This week the board definitely decided to follow out the plan. The Silo will pay for the refreshments, limiting the donation to \$10. The expense will be divided among the board members.

We have felt that there is a need to make Bennington conscious of The Silo. as a part of the Community, and as representing the writing of all majors. The art editor and her sub-committee are making posters for the Community Store and the Recreation Building .

### Calendar

The editor stressed the importance of getting as much material as possible as quickly as possible. The deadline will be May 6 th.

The meeting was adjourned.
