

Questions for House Chairmen  
Concerning Freshmen

Are there any freshmen problems in your house?

For instance:

1. Are there any freshmen who cause frequent disturbance by unnecessary noise? If so, of what sort? chatter, record playing etc.
2. What is their attitude concerning the use of liquor?
  - a. Have there been any noisy parties at which the freshmen have consumed too much?
  - b. Have any freshmen been shocked at the behavior of upper classmen?
3. Are there any personality problems? Freshmen who have difficulty making friends? clashes?
4. Are there any cliques? If so, of what sort?
5. What is their relationship with upper classmen? Is there much social contact or little?
6. What is the extent of their work?
  - a. Are there any freshmen who seem to be working too much and have too little social life?
  - b. Are there any freshmen who spend too little time on work and too much on play?
