Tentative Outline for General Meetings - February to June, 1940

This outline is tentative, incomplete and subject to change. It is designed simply as a guide in making arrangements for the program of general meetings. In some instances we have already obtained speakers (in which case the name is mentioned); in other cases we have speakers in mind, but the final arrangements have not as yet been made. A number of evenings are reserved for rehearsals in the Theatre; these are indicated by x.

Dorothea B. Hendricks
