Completed

June 10, 1936.

DR. R. D. LEIGH, President,
Bennington College,
Vermont, Bennington.

Dear Dr. Leigh,

Mrs. Page tells me that the commencement exercises had great dignity arising out of the genuineness and simplicity of the ceremony. That is a very happy result. I was extremely sorry to miss it both as parent and trustee.

With congratulations and best wishes for a good summer.

Sincerely yours,

Arthur W. Page
