A report from Florence Booker stated that the Liquor Policy as it stood would remain the same for the Formal Dance.

Trustee Health Committee

Gertrude Streeter asked that the Council have a representation of at least 60% at the meeting with the Trustee Health Committee on June 14th. Any member changing her plans and intending to be here at that time was to get in touch with her.

Student Treasurer

Activities Ticket

Charlotte Watson reported on her inquiries into the use of an activities ticket. The two serious objections that rule out the use of such a ticket as a recreational measure are as follows:

- (1) Not a financial necessity - students not charged as a rule for evening meetings as College provides financial backing for student recreation.
- (2) Against the college standards to have any recreational institution.

The activities ticket used last fall was an emergency measure and was not intended to become a financial measure.

Athletic Committee

It was decided that there was a need of another ping-pong table for the Recreation Building. Miss Shelly informed the Council that one could be purchased for \$12.34 from Sears ~~and~~ Buck & Co.

Dance Committee

Because of the failure of attendance at the Wednesday afternoon square dancing at the Recreation Building, the question arose whether there was enough enthusiasm for a scheduled square dance. This was to be decided in the next meeting of the Dance Committee

Respectfully submitted,

Phyllis Wood
