Dear Madam:

I wrote you about one month ago concerning your Spring Formal Weekend. As yet I have received no reply.

Just to remind you of my request I will repeat it. THE DARTMOUTH would like to know the dates of your Spring Weekend. The reason for this is that we want the various merchants of Bennington to advertise before the weekend. This will acquaint the students of Dartmouth with the Bennington merchants.

I would appreciate an early reply to this request.

Thanking you, I remain,

Very truly yours,

*C. Mc Laury Farley*
