

December 2, 1941

L.E. Woodcockk
Eastern Cooperative League
47 Farnsworth Street
Boston, Massachusetts

Dear Sir:

We appreciate your letter of the 28th regarding the Circuit Riding Program, and are very much interested in this project of the Eastern Cooperative League. We understand from your letter that the majority of groups participating will be grocery stores. In such a group our delegates will have very little to contribute to the discussion, and, therefore, we shall not plan to send delegates to the meeting of December 5 in Schenectady.

If in the future you ever plan a conference of college cooperatives or of cooperatives whose problems might be similar to ours, we should be most interested in participating.

Yours very truly,

Frances Berna
President, Board of Directors
